Author Guidelines – ICLEAS Conference

1. About the Conference

The **International Conference on Life, Environmental & Applied Sciences (ICLEAS)** is an international academic conference organized to provide a global platform for researchers, academicians, industry professionals, and students to present and exchange innovative research findings.

The conference focuses on **multidisciplinary scientific research**, promoting collaboration, knowledge dissemination, and advancements in life sciences, environmental sciences, and applied sciences.

2. Conference Tracks / Themes

Authors are invited to submit manuscripts related to (but not limited to) the following areas:

1. Animal Science & Veterinary Studies
2. Aquatic Science & Fisheries
3. Environmental & Natural Sciences
4. Biochemical & Molecular Sciences
5. Applied Science & Emerging Technologies

Manuscripts outside these themes may be rejected without review.

3. Types of Submissions Accepted

The conference accepts the following types of submissions:

- **Research Papers**
- **Review Papers**

4. Originality & Ethical Policy

- Submitted manuscripts must be **original, unpublished**, and **not under review elsewhere**.
- A plagiarism level of **≤ 15% (excluding references)** is permitted.
- All submissions may be checked using standard plagiarism detection tools. (e.g., iThenticate / Turnitin – if applicable)
- Manuscripts violating ethical standards or plagiarism policies will be **rejected without review**.

5. Paper Formatting Guidelines

Be **very specific**.
